He is also Editor, Associate editor, Assistant editor, Reviewer and Editorial board member of varies international Research journals in different countries. His specializations are Governance, Public Administration and Contemporary Socio-Political Issues. He is firmly committed to contribute his best to the academic development of students in his specialized areas.

Academic Development

All courses of various academic programs have been revised by keeping the latest development in the respective domain knowledge and careful evaluation, of each course, student strength has been increased depending upon the need which has facilitated to increase the Gross Enrolment Ratio in this educationally backward region and finalization of the policy note of the University.

Vision

Have imbibed special flavor for teaching and research in the domain of Political Science and hence my vision is to uplift those who are downtrodden and marginalized but enthusiastic to grow further heights. In the domain of higher education, owe to improve the gross enrolment level. The curriculum shall be device by keeping contemporary development, which will be oriented towards improving the employability of the students. As a visionary for higher education, the extension activity of the organization needs to be fully activated by integrating research with application that will benefit the sustainable development of the community.

III. Creation of ICT Mediated Teaching Learning Pedagogy and Content and Development of New and Innovative Courses and Curriculum.

Creation of ICT-Mediated Teaching-Learning Pedagogy and Content

At Rani Channamma University, Belagavi, a comprehensive series of structured online video lectures was developed and implemented through the e-Vidya platform, hosted on a Learning Management System (LMS), as part of an ICT-enabled teaching-learning initiative. The primary objective was to enhance student engagement by integrating diverse educational tools such as multimedia presentations, real-world case studies, interactive Q&A sessions, and continuous assessments. This digital pedagogy was carefully aligned with the core principles of the National Education Policy (NEP) 2020, emphasizing learner-centric approaches, curriculum flexibility, and outcome-based education. The initiative reflects the university's commitment to innovation in higher education and the effective use of technology to improve teaching and learning experiences.

1. Developed and presented an online video lecture on '**Meaning of International Relations**' for I Semester Political Science postgraduate students under the course **HC V – International Relations** at Rani Channamma University, Belagavi. The lecture was hosted on the RCU E-Vidya platform, integrated with a Learning Management System (LMS), and utilized **ICT-enabled pedagogical** methods to enhance conceptual clarity, promote learner engagement, and ensure accessibility for remote students.
